Livingston were at Carltons Kwick cricket festival on Sunday, enjoying the sun after the wet saturday. Giving three new players for Livingston the chance to play for the first time, Oran, Robert and Gregory, who joined the experienced Zane, Ewan, Aongahs and Aidan.

Livingston played well in their first game against Carlton, but lacked the bowling to challenge the carlton batters, a problem that continued in the second game against Hawick and third game against Grange who both had strong batting line ups and set run rates beyond Livingston batters. However this all changed when the captain for the day, Zane, decided to change the batting order for the final game against SMRH. Having held SMRH to 32 runs exceeded the required run rate to post 60 runs. Resulting in one out of four games being won.

Other news;

Livingston u11 hard ball team are 4th in their division, see below, helped by two wins at the end of June against East Lothian and SMRH.

Livingston 168 East Lothian 163. Livingston won by 5 runs.

Livingston 193 SMRH 155. Livingston won by 38 runs.
