Breaking news out of East of Scotland Headquarters is that the club have won the **Division 2 Fair Play Award**

for season 2014. This is a fantastic achievement and testament to the hard work and effort put in by skipper Robert Bowering and all the guys that represented the 1st XI throughout the season. This award is voted for by the other teams in the league and its nice to be awarded such an accolade by your peers and as a club it's great to be recognised for playing the game in the proper spirit and in a manner which makes it a welcome experience for all those involved.
