---

Just a little heads up: The Cricket Club are again holding a **Fireworks Night** at the ground on the evening of **Saturday 7th November at 7.30pm.**

This is one of the highlights in the social calendar and one that is very popular with the wider community. The event is open to all members of the community, even if you are not a member of the Cricket Club. Please note that under the terms of our licence, only members and their (signed-in) guests will be able to purchase alcohol in the the clubhouse. Please also note that **NO ALCOHOL**

should be brought into the grounds of the club. There is no entry fee for the event, but buckets will be around for you to provide a donation should you feel inclined.

As a club who are keen to ensure that we work with the local community and if the event goes ahead, we would strongly encourage you to **NOT DRIVE** to the event. Parking is very limited in the ground, and parking on the streets causes problems for our neighbours. If you do have to drive, then please park at **Livingston South Train Station**

(where there is ample parking) and walk up to the ground, especially with the closure of the bridge at Murieston Road for engineering works.
