The 2016 East of Scotland League fixtures are now available. In division 2, the **1st XI** kick off with a trip to our old friends

Kirkbrae,

before hosting

Largo

at the Turpie & Co Sports Ground. The firsts finish their season with a home local derby against

Fauldhouse

before travelling to

Westquarter

for their final game

Meanwhile, the **Seconds** entertain the **Kirkbrae 2nd XI** at home in the season opener, before going off on their travels to Leith Links to play

Teuchters.

Their season ends with a trip to the beautiful Scroggie Park, home to

Falkland III's

and a final game at home against

Dunbar

With 3 new clubs in each of the leagues, it helps freshen up the competition. The 1s will play against Border league side St Boswells for the first time in League cricket, and also Edinburgh South, for the first time since 1999. The 2s have the opportunity to play at Glenrothes new ground at Gilvenbank.

Full fixtures are available on the Fixtures Tab on the website. (Also on their are the 2016 Indoor **WicketzScotland** fixtures.

Roll on 2016 and a (hopefully) long summer of cricket.
