The fixtures for our adult teams for the 2018 season are now available to view on the fixtures section of the website. The 1st XI start their division 2 campaign on 28 April with a home fixture against Westquarter & Redding. Our 2nd XI also start their division 5 campaign on the same day with a trip to face Morton. Our 3rd XI face a longer wait until 13 May before the first fixture in the Development League, when they travel to RHC.

Whilst we don't have the exact dates for the cup competitions we know who we face. In the first round of the Parks Trophy we host Holy Cross and we go straight into the 2nd round of the Terry Newcombe Trophy with a trip to Iso Bar.

Finally the new midweek T20 competition, Braw Skelp, sees Livingston in a pool with Penicuik, Bass Rock, Morton and Drummond Trinity.

Here's to a great season
