

Once a month on a Friday night the club is packed to the gunnels when at 8 o'clock the first question is asked by the resident (albeit sometimes guest) quizmaster. Its generally Quiz Night on the last Friday of every month, and that time is nearly on us again.

If you haven't been before, this is an opportunity to come along and try to win the quiz. There are a few regular teams who try to outwit each other to try to claim the title, but there is always room for some more teams (though if you try and bring a bus load along as a team you will be asked to split up into smaller factions!). The questions can be on anything, in any format (oral, paper, dvd, mixture etc) but generally you don't need to be Albert Einstein to be able to answer them. Though with the bar being open then the beer does help to free the lucid thought processes.
