

Livi Juniors Exhibition Match Saturday 7th September

Written by Administrator

Thursday, 08 August 2019 01:00 -

The highly successful Livi Juniors - aka the wee team from the scheme -will be rounding off their very successful under 12s and under 14s season with a 100 balls per side exhibition match. The match takes place between 3 p.m. and 5 p.m. during the Gala Day at Dresselrigg and will feature nearly all the players who took runs, wickets, catches and threw for a good few overthrows during a largely rain effected season. Watch out for the big dudes pound the track and bowl it in quick and the wee lads at the top of the order play their shots. Livingston is blessed with many players that will go far in the game...

Watch this space for future stars!!!
